Don't put words in my mouth. I' m not sweaty and the son is not burning me. Working at night isn't the normal way for a human, but It's not the end of the world. I always fiend a good part. The hours goes faster. 6 months past flying!
But I wasn't call to the office today because of the Night Shift. I never compliant. I was called because of a migrant situation.

Disappointed on the way I was treated.

Nobody know anything today. And I'm Stressed and afraid, because of the situation with the migrant from april, also I have been doing my job and others job including the supervisor. You know it. All of you know it. And other things like my salary payments. I'm living here for a year And Mvm is paying the government par of my salary And the list goes on.
You guys have amnesia. Like I said today I will make it official in an email. So no one will forget. What do you guys want from me?

Good morning Jazmine, Barbara's correct we do not have a contract. It's only an offer letter. The employment is at will.

Barbara have we ever deducted the travel costs from any employer that has not stayed for less than a year? I have not seen that since I've been with a MVM.

Para informarle que el día de ayer le hice entrega al Sup. Aguilera de una carta de disculpas para el PM. Cluff. Le adjunto foto de la carta.

Durante el día de hoy ocurrió otro incidente con el mismo migrante Alexander Trujillo. Adjunto foto del incidente. Donde me sentí intimidada. Que al ir al AV622 para redactar el incidente y entregar el mismo. Una vez entregado me marche. Llegando a la habitación recibí una llamada del supervisor para que fuera a llamar la policía. Me devolví y fue entonces que me informa el supervisor Murphy quien mediante llamada telefónica recibió ordenes para que me solicitara salir de las facilidades. Que no podía llamar la policía desde el edificio. El despacho del 911 me solicito que llamara al 4105 desde mi celular esa llamada no procedió y el teléfono del hotel esta dañado.

Recibí una llamada de Ofelia Viesca y PM. CLUFF en una llamada conjunto. Me hablaron del incidente en el bote. Aunque yo llegué primero al bote; que debí moverme y sentarme en otro lado si me sentí intimidada. A mi entender la llamada fue grabada, como también la llamada con la señora Barbara. De ser así debería escucharlas. Que de ICE darse por enterado no renueva el contrato con MVM.

¿Quisiera saber cuántas amenazas, intimidaciones, de parte del migrante tengo que aguantar y del trato hostil de mi jefe PM Cluff? ¿Si me golpea el migrante tampoco me puedo defender? Hasta hora todo lo que ha dicho el migrante o los migrantes lo dan por hecho.

He trabajado arduamente por esta compañía. Cumpliendo con mi trabajo y el trabajo de supervisión con el conocimiento de la administración entre otras cosas ya mencionadas en el primer email. He recibido insultos, amenazas, intimidaciones de parte del migrante Alexander Trujillo. Trato hostil de mi jefe. El cabello se me está cayendo, los dolores de cabeza son más recurrentes e intensos. Continúo estresada. En este instante traducir esta carta me es imposible del estrés y dolor de cabeza que tengo. Espero me disculpe.

Respetuosamente,

Para informarle que el día de ayer le hice entrega al Sup. Aguilera de una carta de disculpas para el PM. Cluff. Le adjunto foto de la carta.

Durante el día de hoy ocurrió otro incidente con el mismo migrante Alexander Trujillo. Adjunto foto del incidente. Donde me sentí intimidada. Que al ir al AV622 para redactar el incidente y entregar el mismo. Una vez entregado me marche. Llegando a la habitación recibí una llamada del supervisor para que fuera a llamar la policía. Me devolví y fue entonces que me informa el supervisor Murphy quien mediante llamada telefónica recibió ordenes para que me solicitara salir de las facilidades. Que no podía llamar la policía desde el edificio. El despacho del 911 me solicitó que llamara al 4105 desde mi celular esa llamada no procedió y el teléfono del hotel esta dañado.

Recibí una llamada de Ofelia Viesca y PM. CLUFF en una llamada conjunto. Me hablaron del incidente en el bote. Aunque yo llegué primero al bote, que debí moverme y sentarme en otro lado si me sentí intimidada. A mi entender la llamada fue grabada, como también la llamada con la señora Barbara. Unanet Login Instructions - Onboarding.pdf;

Hi Virna!

Thanks for reaching out. Please see below the answers to your questions:

1. Employees cannot travel back to the U.S. every month. In this case, the officers have to stay in GTMO for the year contract. In case you have an emergency, you always have to check that with your supervisor and operations manager at GTMO.
2. Attached is a document that can help you to use Unanet. There are some links there on how to access to workday and also see the Unanet User guide in Workday. In addition, this is a link that takes you to ADP: workforcenow.adp.com. In Workday if you put Payroll information on the search bar, you can find an ADP guide. If you need additional help with ADP or have a questions about your payment, please contact: payroll@mvminc.com
3. Do you mean Per diem? In this case Full Time officers do not receive per diem.
4. Regarding the benefits, you have to log into Workday and check your pending onboarding tasks in your inbox. You should receive pending tasks regarding the insurance. There is where you enroll and complete the insurance information. You can always double check with HR regarding your benefits or sent an email to: benefits@mvminc.com

Feel free to contact me if you any questions.

Thank you,

Hi Jazmin,

Mail - Vima Lisy - Outlook

1. You told me I can travel every moth out of Cuba to Jacksonville, Fl and back in for medical appointments; and it's not like that.
2. The payments app Unanet, ADP or workday are not friendly. So, I'm not sure how much have I got paid or not. I need instructions how to use them or where do I get them.
3. We never discussed periderm.
4. The medical insurance I have not receive any insurance information to this day.
